

Ezi-action® Marine pumps

Ezi-action® Marine Pump Range

The Ezi-action® Marine Pump range includes two styles of pump suitable for emptying spill water from kayaks, canoes, and other small boats. These Ezi-action® pumps are very effective hand bilge pumps. They are an essential safety accessory.

Standard Features include:

- Polypropylene and polyethylene construction – buoyant, lightweight, excellent for salt and fresh water.
- True double action pump – innovative, easy, patented pumping technology
- Delivers on both the up and down stroke – continuous fast flow.
- Constructed from FDA compliant plastics – suitable for potable water.
- 12 month manufacturer's warranty – high quality construction.
- Sand filter – prevents solid matter entering pump.
- Serviceable – can be rinsed and cleaned.
- Hose – flexible, no mess.
- Ball handle – no tangling in bungy cords. Easy to store, easy to access.
